Project ASTRIDE is a Minnesota 501(c)3 non-profit organization. Monetary donations are tax-deductible and greatly appreciated.

Thank you for your gift to support our aspiring riders!

Support Project ASTRIDE.

Project ASTRIDE provides therapeutic horseback riding and interaction for people with developmental, physical, or sensory challenges. Sessions include a trained horse, adaptive tack, and a volunteer team including a certified riding instructor, a trained horse leader and up to two sidewalkers. Participants gain physical mobility, additional muscle and skeletal movement provided by the stride of the horse, relaxation, empowerment, social skills, self-esteem, and friendships.

Can you help us this year?

Project ASTRIDE is fully volunteer operated and riders' fees pay only 28% of the costs. That is why for the last 26 years we have relied on the generosity of people like you.
